

Cool Tools

for urban foresters
and arborists

The Inland Urban Forest Council
presents a workshop

Tuesday, October 25, 2011
8:00 AM - 2:30 PM

Learn about and experience new
technology and get a refresher on
some common tools arborists use.

Attending this workshop will give
you the latest information about
tools to help you become more
knowledgeable and efficient.

\$45 includes lunch
