

GROWING INVESTMENTS IN CA'S URBAN FORESTS

Join us for a look at the possibilities available for funding projects in your community through CalFIRE. We will look at projects that are currently happening and hear how we can make them happen in our cities.

Presentations include: **Liz Skrzat from City Plants and Melinda Bartlett from Dept. of Public Works** will share their joint project – Greening the Vermont Corridor in South Los Angeles. **Jerry Moreno from City of El Monte** will present on the city's management plan process. After our STS meeting at lunch, **Lynette Short** will share **CAL FIRE's** Urban & Community Forestry Draft Grant Guidelines - all with the great view from atop LA City Hall.

Parking Instructions~ To park in the garage, you MUST be RSVPd with your name on a list. Park in garage under City Hall East on N. Los Angeles Street between Temple & 1st Streets. Tell the attendant your name and that you're under Board of Public Works. Cross pedestrian bridge to City Hall and take elevator

to 10th floor.
